IMPRINT	AUTHOR or EDITOR	TITLE: SUBTITLE	ISBN	CHANGE	U.S. PUB DATE
Morgan Kaufmann	Sass	Embedded Systems Design with Platform FPGAs	9780123743336	This title - announced in the December 2009 package - has slipped & is now due to publish March 2010	Mar-10
Academic Press	Cells	Cell Biology Assays: Cell and Tissue Cultures	9780123751492	This derivative - announced in the December 2009 package - has now been cancelled	NA
Focal Press	Chernock	DTV Troubleshooting and Monitoring	9780240811338	This title was announced in the March 2009 package but has now been cancelled	NA
Elsevier Science	De Brito Alves	10th International Symposium on Process Systems Engineering	9780444534354	This title- announced in the Sept 2009 package will not now be sold separately. Instead the two volume set 9780444534729, announced in the Dec 2009 package, is the correct isbn for the 2 volume set.	2-vol set publishing Sept-09
Focal Press	Waggoner	Compression for Great Online Video	9780240812137	This title- announced in the August 09 package will now be publishing end of October. The editorial team did everything they could to get the book out on time, but the issues were beyond their control. Also the DVD has been removed but that shouldn't hurt the sales proposition – there will be a companion website instead.	Oct-09
BH	Woodson	Concrete Structures	9781856175494	There is a revised page count for this title - announced in the May 2009 package. The contracted page count was 352 & it has been adusted to 280. The revised price is \$79.95.	Jul-09
Focal Press	Jordan	Adobe Production Premium for FC Editors	9780240812236	This title- announced in the September 09 package will now be publishing 1st November 2009	Nov-09
Focal Press	Sheffield	How to Cheat in Motion	9780240810973	This title- announced in the July 09 package will now be publishing 1st November 2009	Nov-09
Focal Press	McGuire	The Video Editor's Guide to Soundtrack Pro	9780240811734	This title- announced in the September 09 package will now be publishing 1st December 2009	Dec-09
